ATTENDANCE SHEET POLICIES AND PROCEDURES

The Orange County Department of Education (OCDE) Family Support Services (FSS) attendance sheet is a legally binding document signed by parent and provider under penalty of perjury. Attendance sheets received from child care providers must be reviewed in detail to ensure accuracy based on guidelines established by the California Department of Social Services Child Care and Development Division (CDSS CCDD).

1. I understand that every day, at the time the child is dropped off and/or picked up, the parent or authorized adult must complete the **actual time** that they drop off or pick up the child.
2. I understand if a child leaves child care and returns in the same day (split day) the child care provider or authorized adult must complete the **actual time** the child leaves and returns.
3. I understand that if a child is absent for any reason on an approved day for care, the specific reason for absence must be written on the attendance sheet (example: child sick, parent sick)
4. I understand that attendance sheets must be signed at the bottom by the parent and provider attesting under penalty of perjury, that the information on the sheet is true and correct.
5. I understand that seven (7) or more consecutive days without notification from parent to OCDE FSS may be considered abandonment of care and may negatively impact my child care services.
6. I understand that attendance sheets may be considered **incomplete** based on any of the following:
 - a. missing sign-in time or sign-out time
 - b. missing or incomplete reason for absence or variance
 - c. missing parent and/or provider signature at the end of the month
7. I understand the results of submitting **incomplete** attendance sheets may include any of the following below:
 - a. reimbursement delays to the child care provider
 - b. non-payment
 - c. disenrollment from subsidized services for the family
 - d. termination of the provider as an independent contractor

By signing below, I agree that I have read and understand the policies and procedures regarding completing an OCDE FSS attendance sheet. I understand that failure to follow these policies and procedures may result in non-payment of child care services and/or disenrollment from child care services.

Family Fee Policy Agreement

Initial(s)

Parent will be notified on a Notice of Action (NOA) of their full-time and part-time monthly family fee rate when their family's gross monthly income and family size falls within the Family Fee Schedule as determined by the California Department of Social Services.

A family with a certified need of less than 130 hours per month will be assessed a part-time monthly fee, while family with a certified need of 130 hours or more per month will be assessed a full-time monthly fee.

Family fee is based on authorized days and hours a family is approved to use child care. No adjustment will be made for excused absences, unexcused absences, provider's day of non-operation, or holidays. Orange County Department of Education Family Support Services cannot, under any circumstance, recalculate fees based on a child's actual attendance.

Family fee is based on the authorized care of the child who is receiving care for the longest period of time per day.

A parent may voluntarily report a reduction of family income in order to reduce family fee. Parent must submit proper documentation necessary to determine income.

When a fee is assessed, the family will be sent a monthly invoice from OCDE FSS. OCDE FSS is not responsible for lost, stolen, and/or undelivered mail. The family fee is due each month, whether or not an invoice is received by parent.

Fees are paid in advance of service.

Fees are due in full on or before the first (1st) calendar day of the month.

Fees are considered delinquent if payment in full is not received by the 7th calendar day of the month and may result in disenrollment from child care services.

Fees may be paid with personal check, money order or cashier's check made payable to OCDE FSS. Please indicate your Family ID# on payment.

Any personal check returned for non-sufficient funds (NSF) may result in disenrollment from child care services for failure to pay family fee. Once a personal check has been returned as NSF, OCDE FSS will no longer allow payment to be made by personal check.

Three (3) or more delinquent family fee payments per fiscal year may result in disenrollment from services for failure to follow program policies and procedures.

Schedule of Income Ceilings
85 percent State Median Income
Effective July 1, 2025

Effective July 1, 2025, only families that have been determined income eligible for services, including currently enrolled families, will remain eligible for services until their adjusted monthly income exceeds 85 percent of the State Median Income "SMI", adjusted for family size or until their regularly scheduled recertification date, whichever comes first. Families whose adjusted monthly income exceeds 85 percent of the SMI, will have reached the exit threshold and are no longer income eligible for ongoing subsidized services.

At initial certification, Orange County Department of Education Family Support Services will determine a family's initial income eligibility. At recertification, families continue to be income eligible when the family's adjusted monthly income remains at or below 85 percent of the SMI, adjusted for family size.

Parent must inform Family Support Services, within thirty (30) days, when family's ongoing income causes family's adjusted monthly income to exceed eighty-five percent (85%) of the State Median Income.

Family Support Services must use the table below when determining ongoing income eligibility at recertification.

Family Size	Family Monthly Income	Family Annual Income
1-2	\$6,860	\$82,326
3	\$7,785	\$93,418
