

Urban Electric Scooter Usage & Credit Program (UESUCP)

Effective Date: January 1, 2026

Applies To: Registered electric scooter users in Metroville

Administered By: Metroville Department of Urban Mobility (MDUM)

Section 1. Definitions

1. **Registered User:** An individual with a verified account in the Metroville Scooter Registry.
2. **Ride Session:** A continuous scooter ride from unlock to lock.
3. **Peak Hours:** Monday–Friday, 7:00–10:00 AM and 4:00–7:00 PM.
4. **Off-Peak Hours:** Any time outside Peak Hours.
5. **Eco Credit:** A usage credit earned for environmentally compliant scooter usage.
6. **Monthly Usage Cycle:** The period from the 1st to the last calendar day of a month.

Section 2. Base Ride Allowances

1. Each registered user receives a monthly base allowance of **300 ride minutes**.
2. Base allowance resets at the start of each Monthly Usage Cycle.
3. Unused minutes do not roll over.

Section 3. Ride Minute Calculations

1. Off-Peak Ride Minutes count as **1 minute per actual minute ridden**.
2. Peak Ride Minutes count as **1.5 minutes per actual minute ridden**.
3. Each Ride Session is rounded **up to the nearest whole minute** before applying multipliers.

Section 4. Eco Credit Accrual

1. Users earn Eco Credits as follows:
 - 1 Eco Credit for every **30 Off-Peak minutes** ridden.
 - 1 Eco Credit for every **20 Peak minutes** ridden.
2. Eco Credits are calculated after applying Peak/Off-Peak multipliers.
3. Partial thresholds do not earn credits.

Section 5. Bonus Credits for Low-Congestion Usage

1. Users who complete at least **180 Off-Peak minutes** in a Monthly Usage Cycle earn **10 bonus Eco Credits**.
2. Bonus credits are awarded once per cycle.

Section 6. Penalties & Deductions

1. Each speed violation deducts **15 Eco Credits**.
2. Each sidewalk riding violation deducts **25 Eco Credits**.
3. Eco Credit balances may not go below zero.

Section 7. Credit Redemption

1. Eco Credits may be redeemed at a rate of **5 ride minutes per Eco Credit**.
2. Redeemed minutes apply only to the current Monthly Usage Cycle.

Section 8. Monthly Usage Cap

1. Users may not exceed **450 adjusted ride minutes** per Monthly Usage Cycle, including redeemed minutes.
2. Once the cap is reached, further rides are blocked until the next cycle.
